

Big News North Boulevard! We are switching over to MYFoodDays.com to order and process our lunch orders!

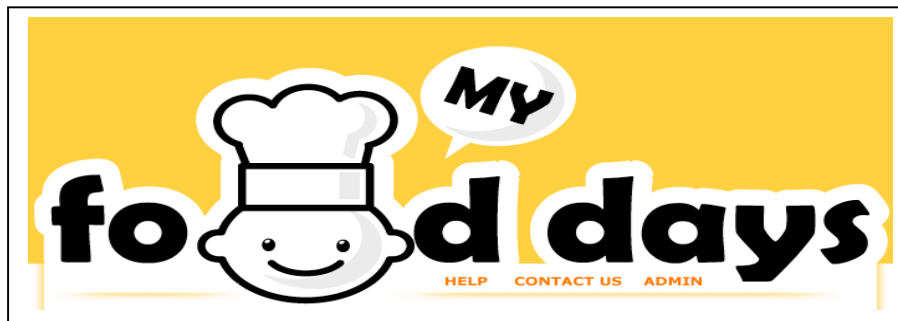

- MYFoodDays is a web site that allows HSA's to put their lunch orders online so that Parents and Children can pre-order in the most efficient way.
- Orders can be paid for on-line (no more checks & cash sent in via backpacks!) But you can still send in checks or cash if necessary. ***Though we'd like to urge everyone to pay on-line.***
- Families register to create an account and then maintain your child's account yourself – no more middleman.
- Reliable server (no more swirling arrows and error messages!)
- Automatically emails families when ordering begins and sends out reminders when end of ordering is near.
- Automatically emails orders to vendors.
- Automatically calculates credits when there are snow days, etc.

This new site will be implemented for November lunch ordering which will begin very soon – so go on-line and sign up today!!
