Pequannock Reads In The Summer

THIRD GRADE PAIL PROJECT

June 2011

We hope you have a wonderful summer vacation. In September, we look forward to meeting you and hearing all about your summer vacation!

We have lots of wonderful and exciting things planned for the school year, and we hope you will be ready for your first assignment.

Since we will have sand between our toes until school starts, your first job is to find or make a sand pail. Then, fill the pail with your favorite summer reading book and objects that could help tell the story.

For example, if you read the story *Snow White and the Seven Dwarfs*, you could fill your pail with an apple, a small mirror, tiny toy furniture, and a Burger King crown. You can use your imagination and be as creative as you would like. The more creative, the better!

You will be sharing your pail with the class during the first week of school.

Have a safe summer, and we will see you on the first day of school.

Sincerely,
Pequannock Township School District
Third Grade Teachers
