					Fill in the numbers on this calendar. Make sure your numbers are going the right way.	
	Find six circles in your house.		How many steps does it take to cross your yard?		Do twenty jumping jacks.	
	Skip count by 2's.		Sort a handful of coins.		Get a pair of dice. Roll them, then add the numbers.	
	Give each person in your family three cookies (or whatever you have.) How many did you give out altogether?		Count to 100.		How many times can you write your name in 1 minute?	
	Practice telling time to the nearest hour.		Help sort the socks in the laundry.		Find seven rectangles in your house.
